Experience a dream holiday come time at Balau Bay Resort, Tanjung Balau (within the vicinity of Desaru), Kota Tinggi, Johor. Desaru literally means the "Village of Casuarinas" where its sandy beaches are fringed with casuarinas trees gently swaying with the sea breeze. Mesmerise yourself within the extensive surroundings of flora and fauna, with its peaceful and serene atmosphere, Balau Bay Resort is the perfect getaway for a memorable holiday.

The exclusive Balau Bay Resort has a neighbouring commercial fishing village and a Fishermen's Museum, which holds artefacts of the local fishing industry and displays local fishermen folklores.

Savour the beauty of nature at Balau Village Bay, where the experience is like an eternal summer escapade.

Balau Bay Resort has 108 air-conditioned rooms ranging from standard rooms, deluxe rooms to villas. We have a large swimming pool with water slides that provide a breathtaking view of the sea.

The fireflies cruise (by motor boat) in Sungai Johor becomes great attraction to tourist, in a fine weather day, you can easily spot thousands of fire flies on trees, something like " Christmas trees in jungle ".
