Silat, Dikir Barat and Kompang

Silat

A traditional Malay martial art that builds discipline, confidence, physical strength and self-control.

Kompang

A traditional Malay percussion instrument that brings people together through rhythm, harmony and cultural pride.

Dikir Barat

A lively traditional singing performance that combines rhythm, poetry and teamwork. It inspires creativity, unity and community spirit.

Angklung, Malay Dance and Traditional Games

Angklung

A traditional Indonesian musical instrument made of bamboo, played by shaking to produce harmonious sounds. It encourages teamwork, listening skills and a sense of unity.

Malay Dance

A traditional Malay dance that showcases graceful movements, beautiful costumes and rich cultural heritage. It promotes discipline, confidence, creativity and appreciation of our local culture.

Traditional Games

Traditional games are fun activities that have been passed down through generations. They encourage physical activity, social interaction, teamwork and problem-solving skills while strengthening community bonds.
