TEMPAHAN KAMUS - TERBITAN DEWAN BAHASA & PUSTAKA

DewanEja11 is the #1 Proofing Tools for Malaysians that helps you write better and learn faster. It helps you write correct Malay language in MS Office and browsers in terms of both spelling and — for the first time — grammar, with our patented linguistic technology.

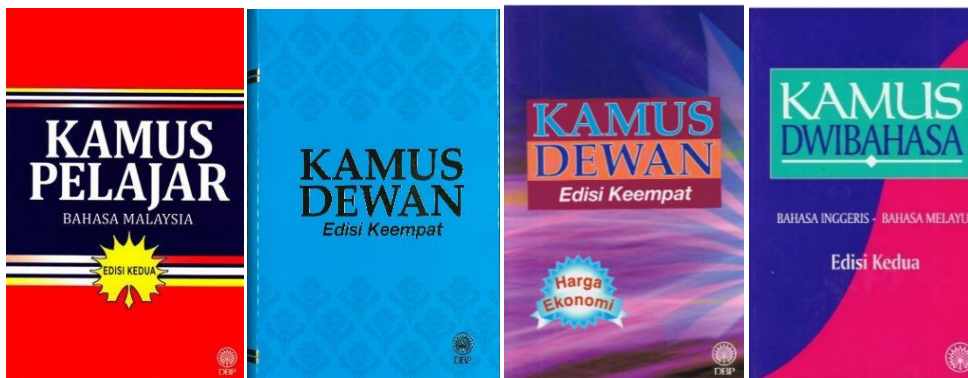

Features

- **Integrates with the latest MS Office** and checks spelling and grammar right within MS Word and more.
- **new! Integrates with Chrome, Edge and Firefox.** Checks spelling and grammar in your favorite browser.
- **new! AutoComplete and AutoPrediction in MS Word** helps you type faster.
- **new! Richer lexicon** with more than 24,000 additional entries. Now DewanEja11 identifies even more words.
- **Thesaurus** to help enrich your writings.
- **AutoCorrect.** "Keretapi" or "Kereta api"? "Samada" or "Sama ada"? Just keep typing. DewanEja11 auto-corrects more than 2,000 common spelling mistakes as you type.
- **Translation Interface.** Integrates with Google Translate. Just highlight a paragraph in MS Word, and see it translated instantly.
- **LiveDictionary.** Check your spelling with the latest words and terminologies collected and verified on our server. DewanEja11 accesses these data by connecting to the cloud and download them automatically in the background.
- **Document Templates.** Template Collection with more than 100 sample documents to jump start anything you want to write.
- **Pronunciation.** DewanEja11 integrates Microsoft Speech to pronounce English and Chinese words.

System Requirements

- Windows 10 and above
- Office 2016 and above
- Latest Chrome, Edge or Firefox
- 1.4GB of hard disk space

Note: To be used on a single device.
